What's Your Tencap?

## Junior Tencap Ratings Guidelines for Initial Ratings:

These guidelines are used to help find a junior player's Introductory Tencap rating. Players can use the online Tencap Tennis Rating Wizard, or, for the most accurate results, pros can rate all players based on the general guidelines below. In comparing players, remember, two-points difference in two players' Tencap Ratings is equal to one-game difference in each set played. (i.e. Six points difference in ratings equals three games difference per set, meaning average set score would be 6-3)
